

Lets Dance!

Northridge Woman's Club to Host Tuesday Night Dancing

Learn the California State dance and West Coast Swing at the Woman's club on Tuesday nights. Take the energy of swing, the smoothness of ballroom, accent it with the sexiness of salsa and, voila, you have West Coast Swing. This dance is done to all types of music from today's contemporary hits, to old school R&B, from smooth Jazz, to funk.

Dance lessons and a weekly dance will be hosted by Lisa Fay and Barry Durand. Lisa and Barry are both World Champion dancers and West Coast Swing National Champions. They will be teaching classes in a light and easy style guaranteed to put the "fun" in the fundamentals of learning to dance.

They will conduct beginner and intermediate classes at the Northridge Woman's Center on Lassen Street most Tuesday nights. Partners are not necessary and you can sign up for a 4-6 week series or just drop in for individual evenings. You can even just show up for the open dance at 9pm.

Lessons and Dancing are priced as low as \$8 per class in a series. Student discounts are offered. For more information, call (240) 743-9195 or email dancecollectiveinfo@gmail.com
